KORUMBURRA BOWLING CLUB

Although Pennant has been finished for a month or so things have still been busy around the Club. We have been running a Thursday night Triples competition which finished last Thursday night. After seven weeks of competition, the final came down to the Inverloch Team of Frank Seaton, Janis and Wayne Parkes and the mixed team of Chas Bucelli, Mick Bowman and Keith March with the latter coming out victors in a hard fought knockout final. Congratulations to all concerned in the running and participation.

Saturday saw the introduction of our new pairs format although the weather was not conducive to bowls. We had 20 hardy souls competing for the \$100.00 first prize. Next week will see the introduction of a Jackpot for the winning rink.

The Club would sincerely like to thank South Gippsland Shire Council for their Grant to assist us in putting a new sign over our front door.

The next counter tea night will be Presentation Night on Friday 12th April. The list for meals is currently up in the Clubrooms.
