

## **SENTINEL TIMES ARTICLE 12<sup>TH</sup> June 2019**

We had a contrasting week weather wise. Firstly we had to cancel our monthly triples on Monday then we had a perfect day on Saturday for our Skins event.

With 25 teams competing we had a wonderful day with some very good bowls on display. Our thanks goes to the Korumburra Medical Group for their generous sponsorship. Winners on the day were local team of Col Underwood, Francene Smethurst and Alan Jordan. Runners up were Robert Cosson with visitors from Kyabram Bev and Keith Button.

Rob Cosson and helpers have been working hard on the northern bank beautification project which is looking very good. Well done to all concerned.

As there are so many away there will be no counter teas this week as there was insufficient numbers.
